Introducing Volunteers Pat Bates and Fur Baby, Scheamus

Not only do the two provide loving, puppy snuggle visits, Pat also offers spiritual care for our residents that is much appreciated. She runs a monthly prayer circle, spiritual hour and is part of our clergy roster. Each year she assists with coordinating our Remembrance Day service and the Christmas Clergy Service.

Pat also works with individuals from Bonny Lea. They come to Shoreham for friendly visiting and socializing with our residents. These visits brighten the day for many people! Pat always brings a smile and loves being able to bring some hope, laughter and canine care to Shoreham.

She says... "No matter what our day looks like, when we come to Shoreham, it fills our cup to overflowing with joy. Scheamus gets lots of love as well!"

Pat Bates (and Scheamus) have been a fixture throughout the community of Chester since the late 1980's. They began their volunteer work here at Shoreham when her Dad came to live here in 2008.

Anamnesis, a charitable organization founded by the Acadia Axemen Male Soccer team. They raise money to support Shoreham and the NS Alzheimer's Society. Last year, they donated \$1,000 to Shoreham Village.

Notes from Around the Village:

There is a desktop computer in the back of the main lounge. It is for resident and family use. Special thanks to Nova Scotia Community College for donating the system. Please enjoy.

The Shoreham Village auxiliary are now selling tickets on an Easter basket. The basket will be drawn April 12. Proceeds will go to the Shoreham Villiage auxiliary for resident comforts. The tickets are \$2.00 each. Please see Dot if you would like to purchase a ticket.

We welcome back our grade 8 class and Guidance councillor Sheri Mackinnon who will be visiting weekly in our residents programs.

Please watch for details in the opening of our new Shoreham store. Residents will be able to purchase treats and small personal items.

Volunteers will help in the store Mondays to Friday from 1:00 - 3:00 pm.

Introducing Olive Wynacht, Resident

Hi my name is Olive Wynacht! I was born in Maitland, Lunenburg County. I grew up there with my parents, two brothers and two sisters.

We had a mixed farm that had a little bit of everything; horses, ox, cows, pigs, sheep, poultry, etc. I worked on the farm all my life until I was twenty-one. I milked

the cows, looked after the hens, fed the animals, kept up with housework, and so much more. We got sap out of maple trees and my mother cooked it down to make maple syrup and sometimes maybe sugar candies. We nursed some of the sheep because, if there were twins, the mother would only look after one, so we'd give the other sheep milk in a dish.

At twenty-one, I went to the Royal Hotel in Mahone Bay and worked there for ten years. I then worked at the Fairview hotel in Bridgewater from 1964 - 1985.

My husband Sidney worked at both of the hotels with me. We got married in 1966. We built our house in 1984. Before building our house, we both lived at the hotel. We didn't have any children.

Together, my husband and I liked to go to the exhibition and we liked to go fishing. We had a simple life but we enjoyed it.

HIGH FIVES!

Compliments for a job well done.

Thank you for stepping up and demonstrating great teamwork, helping to lighten the load of colleagues and going above and beyond in caring for our residents.

Thank You!

Management and staff would like to thank our volunteers and family members for their patience and support during the outbreak of gastrointestinal illness we experienced in December and January. Having the building closed for an extended period of was difficult for all of us.

A reminder:

Influenza A is prevalent this time of year. In order to protect our residents, please do not visit if you are ill. Wash your hands with the alcohol-based sanitizer before and after visiting, and between residents if you are visiting more than one!

Change in Coffee Service

You may have noticed a change to our coffee service. Rather than a vending machine, we now have a Keurig machine. K-Cups are available for purchase by staff, volunteers, visitors and family. Milk and sugars will be kept in the staff room and staff room fridge.

Of course; visitors, volunteers and family will still have the access to free coffee in the main dining room.

Upcoming Education:

Wound Care Education will be held for the RNs and LPNs on the second and fourth Tuesdays of every month.

Shoreham will soon be converting to electronic documentation. Education for all staff will begin in March, with a "go-live" date in April.

Diversity training for all staff will begin in April. More details to follow!

Shoreham Village Ladies Auxiliary

Shoreham's Ladies Auxiliary would like to say, "Thank you" to Scotiabank Chester for the generous donation towards our annual dinner theatre presented by the "Accidental Actors" in November 2016. Our next dinner theatre will be in October 2017.

We are planning a Cheese Cake Social in June. We will keep everyone updated as the event draws closer.

Thank you to Kim and the staff at Chester Pharmasave for help with supplies for our resident stockings. They are always there for our Auxiliary when we need the extra help.

Thank you a whole bunch to Karen and Nicki for being there with support when needed. They always go the extra mile.

We are constantly looking for new members. If you would like to join our Auxiliary family and support the residents of Shoreham, please give me a call at 902-275-3817.
