

Dining Room Project

The Food & Nutrition Department is excited to be able to serve the majority of our residents in our newly renovated dining room. Unfortunately we have had to postpone the opening due to the current outbreak the home is experiencing.

Once the outbreak has been confirmed over, the dining room will be reopened and the residents will be offered meals through two settings. Both the food service staff and CCA's will be present to assist residents at mealtime. The dining room will be opened from 7:00-7:45am for a relaxed breakfast and then mealtimes will be scheduled as follows:

Breakfast	Lunch	Supper
8-9	12-1	4-5
9-10	1-2	5-6

We are looking forward to serving our residents in a relaxed and comfortable dining room overlooking our beautiful gardens.

MEMO:

To: All Family Members

Medical Coverage

In mid-March, Dr. Cox provided her resignation as of March 31, 2019. We have been working with Primary Care to secure medical coverage.

We are excited to advise that in the interim, Cathy Misener Nurse Practitioner, who currently works as an NP in LTC, will complete rounds weekly and be available for phone coverage daily. Cathy will work in collaboration with an interim Medical Director Dr. Barry Clarke as we continue to work with primary care to secure permanent physician coverage for the residents of Shoreham Village.

We will continue to update you on any progress.
Thank You

Josie Ryan

Message from the CEO, Janet Simm

Our goal at Shoreham is for everyone to Be at Home. We believe everyone has unique values, personal history and personality. We believe that each person has an equal right to dignity, respect and to participate fully in life. This philosophy is reflected in all of our values

In particular, our value Joy and Fun: Creating a comfortable, enjoyable home where residents and their families are the focus and staff and volunteers are recognized and valued.

We have begun our long journey to improve our physical environment but we know it is the work of our staff and volunteers that make the most meaningful difference. Being at home is grounded in creating relationships between our residents, their families and their caregivers.

In April we celebrate the contributions made by our volunteers. Volunteers are a critical component of our team and a critical component of the recipe for success.

Our Board of Directors are a group of volunteers who are dedicated to forging our future. Our Foundation Board raises much need funds to support us in so many ways. We have many wonderful volunteers who support us in so many ways including providing entertainment, assisting us to host programs, running our store or one on one attention that brings a smile to a resident.

This year we say goodbye to our ladies Auxiliary. The Shoreham Village Ladies

Auxiliary was established in 1979 to help with the needs of Shoreham Village residents. For over 30 years the Auxiliary has been raising funds and hosting activities to support the quality of life for residents.

Over the years fundraising activities have included the Spring Restaurant Draw, luncheons, Fall Dinner (Pork Dinner, Spaghetti Supper) which evolved in to the very successful Dinner Theatre.

They have been successful in getting contribution from businesses to support raffles of items such as gift baskets, Loonie Auctions and a freezer. All of the money raised from these events helped to purchase needed items for our residents, equipment needs and a number of special projects.

Volunteer Canada has launched the theme for 2019 National Volunteer Week: The Volunteer Factor – Lifting Communities.

We all have experiences in our lives that cause us to reflect and to realize that every moment in life is precious. As volunteers, you share selflessly these precious moments to support someone else to Be at Home - you are our Heroes. We are so humbled and proud that you choose to help the people who live at Shoreham and support them in their time of need. You are Lifting our community!

You are all very special people. Thank you all so much!

- OUR VISION**
A leader in excellence and innovation in Long Term Care.
- OUR MISSION**
To provide a high quality living experience for those who call Shoreham home.
- OUR VALUES**
 - Integrity**
Being honest, ethical, respectful, open and transparent.
 - Quality**
Ensuring a high quality, safe and caring environment within our resources.
 - Teamwork**
Working together efficiently, effectively and respectfully to achieve shared goals.
 - Joy and Fun**
Creating a comfortable, enjoyable home where residents and their families are the focus and staff and volunteers are recognized and valued.

Main Entrance Revitalization

The next project we are looking to undertake is the relocation of the main entrance to where the original main entrance was located when the facility was built. We have a larger renovation planned for the main entrance with the full building renewal, which has not been approved to date. The scope of this first phase of the project would be only a portion of that full plan. There would be a small addition to the current infrastructure to create a larger vestibule with scoping doors and a small overhang to protect residents and families entering the building from weather. These doors have been proven in other long term care facilities to improve resident comfort and bring significant heating/cooling savings.

There are some repairs included for the deck area which is a favorite sitting area for residents in the summer. This would also address the accessibility of the entrance. The entrance would then be in the middle of the facility opening to our main lobby as per the original building design. The project would include updating the reception and office areas. We have received a grant from the municipality to contribute to the cost of this project along with a private donation and the support of the Shoreham Village Foundation. At this time we have conceptual design completed and pictured below.

Left to right: Conceptual Drawing of Phase one; Conceptual Drawing of Phase two.

Spring Spruce Up

As our seasons begin to change with an eye on warmer weather approaching, we are asking that families have a peek at our residents' clothing and closets to determine what they no longer need, or what they may need for the seasons to come.

As the storage space is limited, we ask that items not being used be taken home if possible. If you need assistance with determining what may be needed, please approach the supervisor and care staff on the wing.

Presents

Swing for Shoreham Golf Tournament 2019
Thursday June 27 at 9:00 am
This Shoreham Village Foundation's only annual fundraising event in support of our Home
To register, enjoy a fun volunteer opportunity or become a \$100 cart sponsor, please contact Event Coordinator
