Prices above are an estimate and are conditional on the information provided by the Client at the time of negotiation. The Annual Program fee has been calculated as a percentage of the Client’s Total Revenue as disclosed to Accreditation Canada at the time of negotiation and will be adjusted in year 2 to reflect reported revenues in that year. The cost of survey has been estimated based on the current year’s Survey Fee and will be adjusted in the year of survey for any increases in COLA. Accreditation Canada reserves the right to adjust costs based on the parameters outlined in the Accreditation Program Service Agreement.
