Good Morning Janet

I am forwarding my question to Marsh insurance as well as their answer re Insurance coverage, I believe this answers the question re insurance coverage.

Cheer Rick

Good morning Rick,

The liability policy would respond if you were negligent and legally liable if injury was sustained by a resident or the general public.

Please give me a call if you have any further questions.

Take care

Barbara

CAUTION: This email originated outside the company. Do not click links or open attachments unless you are expecting them from the sender.

Good morning Barbra;

I am the chair of the Shoreham Village Senior Citizens Apartment Association, I have aquire reference our policy. There is a path which crosses our property and we are considering constructing a park rest area again on our property. Do we have liability coverage for non residents while they are on our property. We hope that there is never an issue but there are non resident public crossing and possibly siting on benches which are on our property. We want to ensure that our liability insurance cover non residents while they are on our property.

Thank you for your time;

Rick Casavant
SVSCAA Chair
