

**LUNENBURG
COUNTY**

Community Health Board

Shoreham Village is thrilled to announce the approval of our Shoreham Chefs program, by Lunenburg County Community Health Board. We will be providing a community-integrated program where residents have the opportunity to purchase local food, cook a favourite meal, and enjoy the meal they make themselves, all in one location!

We are very excited to share this program with our community and are currently seeking a Cook/Facilitator to assist with the Shoreham Chefs program on a weekly basis.

Please reach out to Niki @ 902-275-5631 ext. 235 or,
email: n.rodenhizer@shorehamvillage.com.

We look forward to hearing from you.
