Nursing Services Update

MESSAGE FROM JANET SIMM, CEO OF SHOREHAM VILLAGE

As I look back over the last two years and particularly the last few months, I see beyond the challenges that we've faced. I see bravery, dedication and commitment. This has brought us even closer together. The Shoreham Village staff, residents and residents' families came together to weather an extremely difficult time. You are all truly amazing!

We received so much support from our Board of Directors, our community, the Department of Seniors and Long-Term Care and many other organizations.

This support demonstrates that the community understands the importance of our work. I am so pleased that the Shoreham Village Foundation supported us to provide staff with a much deserved token of gratitude.

Thank you everyone for your commitment.

While we are **all** eager to get back to normal – taking pleasure in the freedoms that we enjoy as Canadians, as Canadians, we understand, value supporting, and look after one another in times of need.

There are changes happening in our communities. Nova Scotia has entered Phase 3 of its reopening plan, so although masks and gathering limits will be lifted outside of the Health Care system, we need to continue to be vigilant to protect our co-workers, and the vulnerable residents who rely on us all to **Be At Home**.

UPDATE FROM SHOREHAM VILLAGE

BUILDING RENEWAL PROJECT

The Shoreham Project Team continues to work with the Department of Seniors and Long-Term Care in developing the design plan of the new build to ensure it enhances the quality of life for residents. There are initial design requirements set out by the Department of Health and Wellness that will be included in the design.

The team understands how important Shoreham Village is to the Chester community. The Shoreham community is excited to see this project move forward and to being involved in creating a safe and comfortable home for residents to welcome friends and families. Once the initial work is approved, the Shoreham Leadership Team will share the details and seek additional feedback from members of the Shoreham community.

UPGRADE TO RESIDENT ROOMS

C Wing renovations will be completed Tuesday, March 22nd so residents will move back in on Wednesday, March 23rd. The next wing scheduled for renovations will be A Wing, beginning March 28, 2022. We are awaiting a revised schedule from Greytap for the remainder of the project.

WASTE PIPE PROJECT

The Waste Pipe Project will resume during the first week in April, and is scheduled to be completed by April 14th.

NEW NURSING SERVICES MANAGER

VON, where I worked to elevate my experience in Community Care, and acquire knowledge and expertise in (among other things!) palliative care and wound care management, I realized that my true passion lay in Long-Term Care.

I am excited to return to Shoreham Village, and bring the knowledge I've accumulated over the years to our facility to better serve our residents and families.

Since graduating with a nursing degree from University of Moncton in 2014, my focus has been in Long-Term Care, and community care in Nova Scotia. I have made a home here, in our small community of Chester, where I plan to continue working to serve our residents and families', the best I can! I hope to be a great advocate for our residents, as well as our staff.

Please feel free to reach out to me with any questions or concerns at:

Email: d.devost@shorehamvillage.com,
Phone: (902) 275-5631 ext 246, or drop by.
My door is always open!

My name is Danyka. I am the new Nursing Services Manager for Shoreham Village. I joined the team on February 18th and I am excited to work with residents, families, and staff within the facility.

My career began as Charge RN at Shoreham Village, and after a pivot to Lunenburg County

THANK YOU DALHOUSIE STUDENTS

Shoreham Village was given the opportunity to welcome Dalhousie nursing students for their two week clinical.

During this two week period, students assisted residents and staff through our Covid-19 outbreak. It was a privilege to have these young students join us, and we appreciate their support.

Thank you!

THANK YOU, DR. WHYNOT

After several years of dedicated medical leadership Dr. Lesley Whynot has resigned from her position as Site Medical Director at Shoreham Village to enjoy semi-retirement.

Over the years Dr. Whynot has been an integral member of the Shoreham team sharing her leadership and medical expertise while supporting residents, families and the staff. She's been an advocate for best evidence-based practice, person centered care and has kindly and compassionately supported families and residents through transitions in care.

Please join us as we send a huge thank you out to Dr. Whynot for everything she has contributed over the years – most recently the support and care she personally provided the residents, families, and staff through the COVID outbreak.

Thank you Dr. Whynot! You will be missed. Enjoy your travels and semi-retirement.

Dr. Barry Clarke is the Medical Director for Shoreham Village and has assumed on site support while we recruit a permanent replacement for Dr. Whynot.

OUR VISION

A leader in excellence and innovation in Long Term Care.

OUR MISSION

To provide a high quality living experience for those who call Shoreham home.

OUR VALUES

Integrity: Being honest, ethical, respectful, open and transparent.

Quality: Ensuring a high quality, safe and caring environment within our resources.

Teamwork: Working together efficiently, effectively and respectfully to achieve shared goals.

Joy and Fun: Creating a comfortable, enjoyable home where residents and their families are the focus and staff and volunteers are recognized and valued.

HYDRATION TABLE

During the Covid-19 outbreak at Shoreham Village, many stellar organizations in our community, like the Chester branch of Scotiabank, came forward with offers of help and support for our staff.

In addition, members of the Shoreham Board of Directors, Northwood Board of Governors, and the Northwood Foundation Board donated meals for staff, kept our Hydration Station stocked with drinks and treats, and some truly wonderful anonymous donors in our community really outdid themselves by providing pizza suppers!

Many thanks to all who supported the Shoreham Village staff during the difficult times. It's always great to know that people remember you – and care.

SHOREHAM VILLAGE FOUNDATION - THANK YOU

During the Covid-19 outbreak, Shoreham staff were very fortunate to have support from many folks who are actively involved with the activities of Shoreham Village.

One of these groups was our very own **Shoreham Village Foundation!** Members of the foundation provided a wonderful gift for each of the individual staff members who were actively engaged in diligently assisting residents, families and staff throughout the challenging weeks.

Each of these staff members is extremely grateful for the recognition they received from so many fantastic supporters. A sincere and heartfelt thank you for your generous support.

GOVERNMENT OF CANADA INVESTS TO SUPPORT CANADIANS LIVING IN LONG-TERM CARE IN NOVA SCOTIA

On February 24, 2022 the Government of Canada announced support for the Safe Long-Term Care Fund (SLTCF) agreement with Nova Scotia.

The fund will help us to improve quality of life, by helping the province to undertake activities to improve infection prevention in Long-Term Care, to improve staffing, renovations to infrastructure and hiring of Long-Term Care (LTC) professionals and enhancing infection prevention and control measures in LTC homes.

These commitments to Nova Scotia were announced during an outdoor event held in Chester, on behalf of the Honourable Jean-Yves Duclos, Minister of Health. The Honourable Sean Fraser, Minister of Immigration, Refugees and Citizenship, along with Darren Fisher, Parliamentary Secretary to the

Minister of Seniors were joined by the Honourable Barbara Adams, Nova Scotia's Minister of Seniors and Long-Term Care, and the Honourable Michelle Thompson, Nova Scotia's Minister of Health and Wellness.

“Seniors have built our country and they deserve a safe, comfortable and peaceful retirement. We are committed to continuing to work with provinces and territories to ensure they have the resources they need to protect all seniors living in Long-Term Care.”

*The Honourable Jean-Yves Duclos,
Canada's Minister of Health*

Left to Right: Janet Simm, Northwood President and CEO, Michele Lowe, Executive Director, Nursing Homes of Nova Scotia Association, Barbara Adams, Nova Scotia's Minister of Seniors and Long-term Care, Sean Fraser, Minister of Immigration, Refugees and Citizenship, Danielle Barkhouse, MLA for Chester, Michelle Thompson, Minister of Health and Wellness
